

Midea are the world's No.1 manufacturer of air treatment products. In 2018, Forbes Global named Midea as the world's 253rd largest business as a result of \$40bn sales. With a European market share of over 20%, Midea now manufacture 1 in every 5 air conditioning systems sold and, in 2019, HVAC total global sales output reached over 40 million systems. Midea are so confident in their product reliability that they are offering the industry's first 10-year warranty to our customers.

M THERMAL ARCTIC SERIES

10-YEAR WARRANTY

Nothing says you're confident in the quality of your heat pump more than a 10-year warranty, only available from Freedom Heat Pumps.

INCREDIBLE VALUE

Midea work with a single purpose of realising as much market share as possible. This is evident in their incredibly low prices available.

ON BOARD INTERNET

Internet connectivity allows you to monitor your heating system from anywhere in the world. Never come back to a cold home!

R32 REFRIGERANT

With a global warming potential of 675 (two thirds less than R410a), R32 is much better for the environment.

SO, SO QUIET

Engineered to be no noisier than 35db(A) at 3m, the Midea M Thermal range need never bother your neighbours ever again.

SUPER EFFICIENT

503%* efficiency at a 35°C flow temperature puts this heat pump in a class of its own.

**MHC-V8*

Heat pump	Output (kW) -2/50	Dimensions (mm) W x H x D	Efficiency @ 35°C 50°C	Weight (kg)	Sound pressure
MHC-V4	4.2	792 x 1295 x 400	466% 356%	98	44
MHC-V6	5.7	792 x 1295 x 400	477% 372%	98	46
MHC-V8	7.3	945 x 410 x 1385	503% 367%	121	47
MHC-V10	8	945 x 410 x 1385	503% 378%	121	50
MHC-V12	11	945 x 410 x 1385	467% 368%	121	51
MHC-V16	13	945 x 410 x 1385	449% 359%	121	52
